

# Surah 109 Surah Kaafiroon

## THE KAAFIROON

### THE LINK AND SUMMARY OF THE SURAH

The central theme of the *Surah* is *Towheed* and a refutation of *Shirk*. A preacher or a counsellor, after discussing an issue at length may tell the audience, “I have now explained the matter in detail. Whoever chooses to take heed should do so. The two paths are clear. My path of truth is clear, and so is yours too if you do not heed the truth.”

Similarly, *Surah Kaafiroon* issues the ultimatum to the *Kuffaar*, telling them that, after much discussion, if they still choose not to take heed, they will be left to their own devices. Allaah says in *Surah Najm*, **“So ignore him who turns away from Our advice and who desires only the life of this world”** [verse 29, Surah 53]. The *Mu'mineen* should rather not associate with such people.
